

Transportation Asset Management Council
Quarterly Report: April-June 2004

- ❖ The Council approved several key documents during the Quarter.
 - a) [The 2004-2006 Work Program](#)
 - b) [The 2003 Annual Report](#)
 - c) [“Communications Plan”](#)

Each of these documents is available on the Council’s website.

- ❖ The 2003 Annual Report was delivered to the State Transportation Commission and the Michigan Legislature on April 29, 2004, in accordance with the provisions of the MCL 247.659a (9).
- ❖ The council hosted a National Highway Institute course on asset management in April. The intent was to determine if the course was suitable for use at the local level. The consensus was that is needed to be modified before it could be used with cities and counties.
- ❖ Training for the 2004 data collection took place in 6 cities around the state. Data collection is expected to begin in Mid-July.
- ❖ Through June 25th, the Council has spent \$318,906.17
